National Campaign on
Right to Education for All
(Birth to 18 years)
No Child Labour at All

Our Demands

- Extend the purview of RTE Act from birth to 18 years.
- Ensure 6 percent of GDP for Education.
- Ensure complete implementation of the RTE Act.
- Strengthen SMCs and community participation in education.
- Stop inequality in education and move towards a 'common school system'.
- Stringent social inclusion and provision of safe and secure all schools and ECCE centres.
- Ensure the total eradication of child labour up to the age of 18 years.
- All elected peoples’ representatives take concrete steps for universal, quality, and equitable public education in safe and secure environment until 18 years of age.
- Stop commercialization and privatization of education and strengthen the accountability of private schools and ECCE Centres.
- Governments must ensure strong grievance redress mechanisms.
- Keep No Detention under the Right to Education Act
- Stop mass scale closure of government schools in the name of merger and re-open those that have been closed

Child is meant to learn, NOT to earn
